JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 28 January 1972

25X1 1. [redacted] In response to their request I met with Captain 25X1  
Bauser, George Murphy, and Colonel Seymour Shwiler, Joint Committee  
on Atomic Energy staff, and showed them [redacted]

25X1 [redacted] Captain Bauser  
was especially interested in this and asked if Admiral Rickover had seen  
this information and had been briefed on it. He said Rickover would be up  
before the Committee on 7 or 8 February and he might discuss the matter  
with him at that time. I told Bauser I thought Rickover had access to this  
information but I couldn't be sure he had been given this briefing. (I have  
25X1 notified [redacted] OSI, about this.)

Following Captain Bauser's departure I left with Murphy and Shwiler  
an informal statement on [redacted] 25X1  
which had been prepared by [redacted] at our request. I had alluded to 25X1  
this in my earlier conversation with Captain Bauser and he said it was most 25X1  
appreciated.
